

CAPTA was most recently amended by the Comprehensive Addiction and Recovery Act of 2016 (P.L. 114-198, 7/22/16). Title V, section 503 of the act modified the CAPTA state plan requirement for infants born and identified as being affected by substance abuse or withdrawal symptoms or Fetal Alcohol Spectrum Disorder by adding criteria to state plans to ensure the safety and well-being of infants following the release from the care of health-care providers, to address the health and substance use disorder treatment needs of the infant and affected family or caregiver, and to develop the plans of safe care for infants affected by all substance
